AMENDMENT

Hon. Commissioner of Patents
Washington, D.C. 20231

RECEIVED
JAN 25 2002
Technology Center 2600

Sir:

This amendment is filed in response to the Office Action dated October 2, 2001.

Please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel claims 1, 3-5 and 7-10 without prejudice.

Please add the following new claims:

59
67
E1

--11. A method of transmitting an identity of a calling subscriber to a called subscriber, wherein the called subscriber is a mobile subscriber in a mobile communication system comprising switching centers for establishing a speech connection between the calling subscriber and a mobile station assigned to the called subscriber, wherein one of the switching centers is associated with the called subscriber, the method comprising:

- storing permanent subscriber data in a home location register and storing temporary subscriber data in a visitor location register, and
- transmitting the identity of the calling subscriber to the switching center associated with the called subscriber in connection with a request for routing information.
